500EXP

500 Explorer is a floating island, an arrow, the exquisite solidification of a wave, an impeccable sonata of harmonious hues: her hull, inspired by the lines of ship of the great age of explorations, is distinctive and unmistakable. She promises far-flung destinations, she visits exotic locales, and she charts unaccustomed courses. Distant, unspoiled destinations, attainable with the freedom and confidence of a travel-tested wanderer. 500 Explorer can easily make ocean crossings; Explorer offers a shipowner an authentic sense of adventure – a gift almost impossible to find in the modern landscape of a generally unremarkable and all-too-familiar world.
